

POLICY: CREDIT CARD POLICY

Rationale

1. The Board agrees that it has a responsibility to ensure that credit card expenditure incurred by the School must clearly be linked to the business of the School. The Board has agreed on the fundamental principles of this Policy, and has delegated responsibility for the implementation and monitoring of this Policy to the Principal.
2. The Board requires the Principal, as the chief executive and the Board's most senior employee, to implement and manage this Policy. The Principal may, from time to time, further delegate some of their responsibilities, and all such delegations must be attached as appendices to this policy.
3. This Policy must be read in conjunction with other Board Policies, and the exercising of all authority and responsibilities conferred under this Policy must be in accordance with the Schedule of Delegations and may not exceed an individual's established level of delegated authority.

Process for Issue of Credit Cards

4. Credit cards should only be issued to staff members after being authorised by the Board.
5. A register of cardholders should be maintained.
6. The limits set for credit card use should not exceed the overall financial delegation of the cardholder, as set out in the Schedule of Delegations. Any variations require Board approval.
7. Prior to the card being issued, the recipient must be given a copy of this policy and be required to sign it off to signify that they have read and understood it.

Procedures to be Followed when Using the Card

8. The credit card is not to be used for any personal expenditure.
9. The credit card will only be used for:
 - payment of actual and reasonable travel, accommodation and meal expenses incurred on School business; or
 - purchase of goods online.
10. All expenditure charged to the credit card should be supported by:
 - A credit card slip
 - A detailed invoice or receipt to confirm that the expenses are properly incurred on School business
 - For expenditure incurred in New Zealand of value greater than \$50 (including GST) there should also be a GST invoice to support the GST input credit
11. The credit card statement should be certified by the cardholder as evidence of the validity of expenditure.
12. Authorisation for the expenditure should be obtained on a one-up basis (for example the Principal should authorise any travel by the Deputy Principal and the Board should authorise any travel by the Principal). Cardholders are not allowed to approve their own expenditure.
13. All purchases should be accounted for within 5 working days of receiving a credit card statement.

Cash Advances

14. Cash advances are not permitted except in an emergency.
15. Where cash advances are taken, the cardholder must provide a full reconciliation, with receipts wherever possible, of how the cash was used. Any unspent monies must be returned to the School.

Discretionary Benefits

16. Any benefits of the credit card such as a membership awards programme are only to be used for the benefit of the School. They should not be redeemed for personal use.

Cardholder Responsibilities

17. The cardholder should never allow another person to use the card.
18. The cardholder must protect the pin number of the card.
19. The cardholder must only purchase within the credit limit applicable to the card.
20. The cardholder must notify the credit card company and the school immediately if the card is lost or stolen
21. The cardholder must return the credit card to the School upon ceasing employment there or at any time upon request by the Board
